The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for critical infrastructure water improvements in fiscal year 2024. The entity to receive funding for this project is the Belgrave Water Pollution Control District, located at 3401 255th Street, Little Neck, NY 11363.

The funding would be used to upgrade the Primary Digester System including the primary digester, primary digester control building and ancillary components.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Santos
Member of Congress
